Senior
Trip

Cedar Point/Sawmill Creek

The senior class trip to Cedar Point and Sawmill Creek was a huge success. We left on June 2nd at 5:30 A.M. On the way down, one bus got stuck in the mud when it ran off the road in a construction area. Even though it rained, we enjoyed the park. We left for Sawmill Creek at 6 P.M. Once there, many seniors went swimming and lounged around in the hot tub until it was time for dinner. The buffet was great! Everyone looked good in their dress clothes. We all enjoyed the senior prophecy and dancing. Some people also played pool in the game area. Most people slept on the way home, and we arrived back at the school on June 3rd at 4:30 A.M.

VARSITY GOLF

According to Coach Reeder, "A good golfer can handle the ups and downs." He further said they can't get overly excited with a good shot, but they also can't let a bad shot carry over into the next few shots that they take.

There has been a winning tradition for the golf team over the twenty seven years that Mr. Reeder has been coaching. This has been especially true in five of the last six years when teammates have been league champions. Each player this year was told their responsibility to uphold this tradition.

This year started out to be a little disappointing, but ended up well. The team came together at the end and astounded the coach by qualifying for States. This year's team was a "Great bunch of kids to work with," he said.

The '98 season began long before the new school year. Summer camps at U of M and MSU were just the beginning. Months of conditioning and practice were to follow. It was a hard fought season which ended with the 4th straight Conference Championship and the 3rd straight Regional Championship. This was an outstanding year for the young team lead by 4th year player Anne Bringer and 3rd year player Jenny Rasmussen.

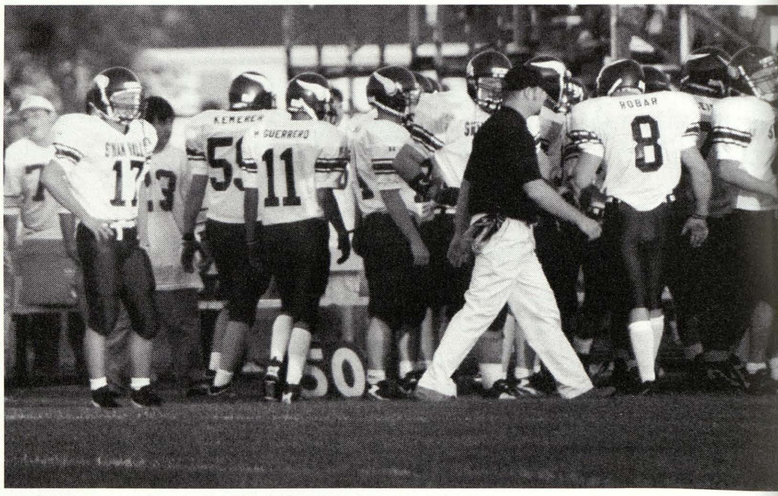
Football

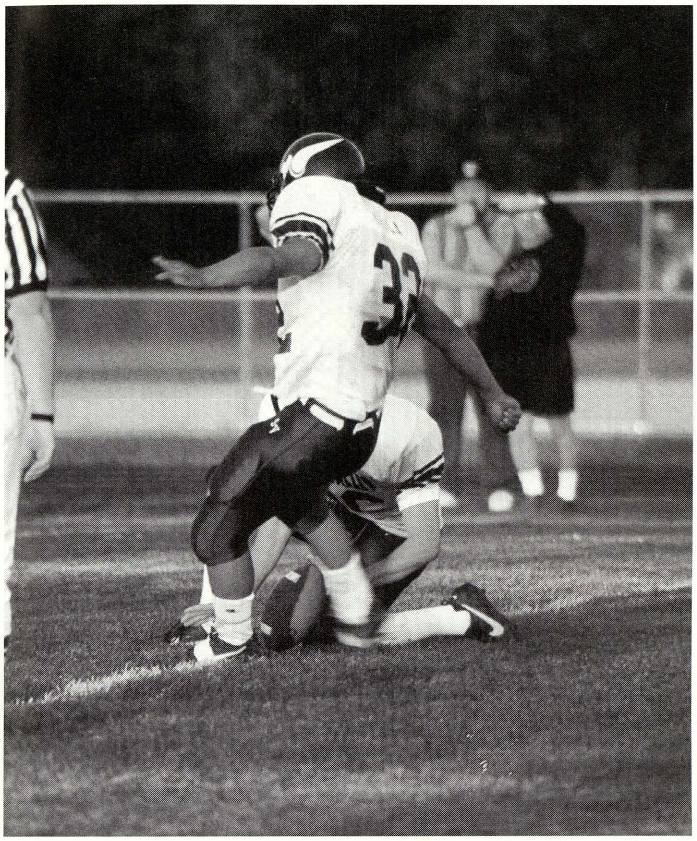


Marshall Brown looks on as the rest of the team walks off the field.

Swan Valley's 1998 Varsity Football team provailed even through adversity. They proved this in their games against Bullock Creek and Merrill when they never gave up.

Overall, the season was well fought. The players always walked onto the field with their adrenaline pumping, and walked off the field with heads held high. Their hard work payed off and they gave us all a memorable season.

Varsity Football



Left: Brian Donnenwerth holds the football while Adam Avila kicks one of the many extra points made this season. Above: Marshall Brown keeps the ball and cuts through the defensive line.

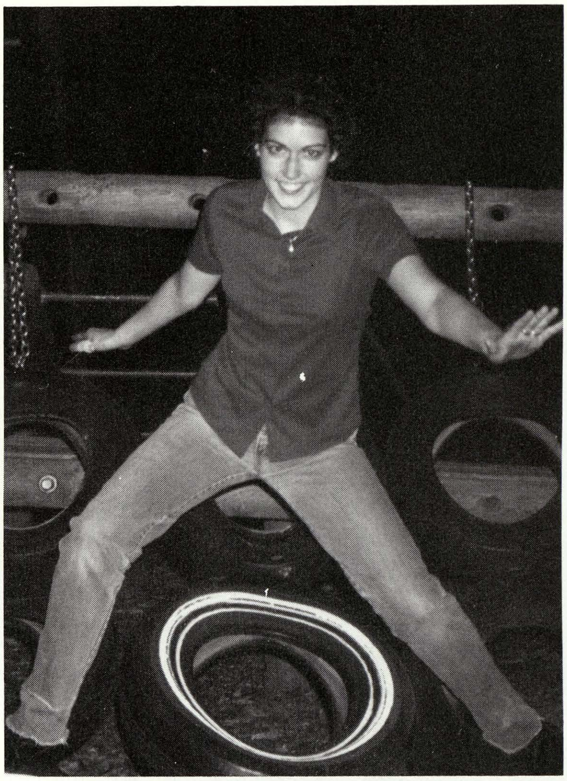
Student



According to the staff leader, Mrs. Debozy, "A student council member is someone who wants to be involved in school activities." This year, there were about 120 of these students throughout the school actively helping out with our student government.

The seven permanent committees include: Broadcasting, Community Service, Decorating, Ecology, Fund Raising, Public Relations, and Spirit. The chairpeople all did a great job directing activities this year and many of them were successful.

Home Coming, Coming Home, and the spirit weeks all went over very well. This year we started having fun assemblies to start the fun weeks. Those were very amusing and had great participation. The court videos came out nice. Also, Adopt-a-Family, as well as the food drives were extremely helpful to the community. Earth Day was celebrated by handing out small pine trees for people to plant on their own for the good of the environment. Candy cane sales and holiday matches were a blast! The showcases and locker decorations were great as well. We also had more publicity for all of the productive things that our student council did this year in the Swan Valley Communicator and the Township Times.

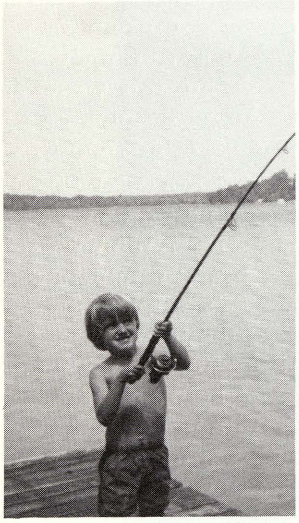
In Loving Memory of . . .



On October 26, 1998, Swan Valley High School lost a very dedicated student. Chris Erskine was one of a kind! He was a National Honor Society Member, SADD Member, and a Peer Resistence Team Member. Chris had an overall grade point average of 3.926 and was ranked 8th in his graduating class. He had been accepted at Saginaw Valley State University and had pending scholarships. Chris was very involved with the Swan Valley Vikings. He never missed any of his sister, Kelly's, games and was always there cheering the rest of the team on. Some of Chris's interests included the Detroit Red Wings, Michigan State University, the Detroit Lions, the Detroit Pistons, and the San Fransisco 49'ers. Chris was an active member of his family's church youth group. Chris will be sadly missed, not only by his family and friends, but also the entire student body and staff and Swan Valley High School.

Upperclassmen Members

This year's International Club consists of about 90 students. These students come from the Spanish and French classes. To be a member, you must be in a foreign language class and pay a small fee of $5.00. There is a Road Rally and a Christmas party each year that students may attend. Every year there is an attempt to have ski trip for this club, but it never goes through. Overall, it is a lot of fun!
